Trial title:	A Phase 3, Randomised, Double-Blind Trial of Once-Weekly Semaglutide in Adults with Type 2 Diabetes Mellitus
Therapeutic indication:	Type 2 Diabetes Mellitus
Sponsor:	Novo Nordisk A/S

NOTICE OF VALIDATION REQUEST FOR INFORMATION

Pursuant to Regulation (EU) No 536/2014 on clinical trials on medicinal products for human use, the competent authority has completed its validation of the above-referenced clinical trial application and has identified the consideration(s) set out below. The sponsor is requested to submit a written response addressing each consideration within **10 calendar days** of the date of this notice.

Consideration 1

Consideration ID: 2024-512034-56-00-C1 | CTR Reference: Article 25 / Annex I

The Investigational Medicinal Product Dossier (IMPD) safety section (Module 3) does not include the updated Reference Safety Information consistent with Investigator's Brochure version 8.0, dated 02 January 2025. Please provide the updated IMPD safety section reflecting the current reference safety information.

Consideration 2

Consideration ID: 2024-512034-56-00-C2 | CTR Reference: Article 5(3)

The EU trial number quoted in the sponsor's cover letter (2024-512034-56-00) does not match the number declared in Protocol Section 1.2 (2024-512034-56-01). Please clarify the discrepancy and, if applicable, resubmit a corrected protocol cover page.

Failure to respond within the specified period may result in the application being deemed withdrawn in accordance with the applicable provisions of Regulation (EU) No 536/2014.

Yours sincerely,

Bundesinstitut für Arzneimittel und Medizinprodukte (BfArM) — Clinical Trials Assessment Unit
On behalf of the Competent Authority
